ROAD DISTRICT REFORM COMING

(From the Bloomington Pantagraph)

It took a long time to convince the people of Illinois that the one room school is not an efficient educational unit and that school districts must be made larger. But they have been convinced. Organization of unit districts within the last year has been amazing. No one would have dared forecast the rapidity of this Illinois educational revolution five years ago. Several years will be required to adjust to the change. Many mistakes will have to be corrected, but the pattern is set and the people approve. Reorganization of road districts is clearly the next major project of this time. The Illinois Agricultural association, pace-setter in the school reorganization battle, has gone to work on the rural road problem. Early findings indicate a weakness in the small township road district.

Griffenhagen and Associates, an engineering firm employed to make a study of the Illinois road problem, is reportedly ready to recommend to the 17 member Illinois Highway commission that the township road district be abolished. The commission is to report its findings to the 66th General Assembly for action.

Opposition to the proposal can be expected from some members of the commission and from legislators. Township road commissioners will fight the plan fiercely. The argument against centralized control and in favor of local government will be worn threadbare. And in the end the people of Illinois will abolish the township road district.

It may take five or 10 years. It could take less time or longer time than that. Gradually people will understand, as they are understanding in the schools, that local government must be strong and efficient if it is to remain. They will realize that most of the loss of power of local government to date has been because local government was not doing the job and the state or federal government had to step in to fill the gap.

The best way to preserve sound local government is to reorganize it into efficient local units. That means the elimination of many taxing bodies and many overlapping agencies at the local level. Reform will be fought by special interests and by sincere citizens who fail to understand the issue.

But the last hope of effective local government is reorganization on a sound basis. With schools on the way, road districts are next in line.

Great Books To
Be Discussed At
Session Monday

Plato's Apology and Crito make up the basic reading for Monday night's Great Books discussion at the Public Library from 7 to 9 o'clock. These books are on reserve at the library, and the required reading may be done there before time for the discussion.

As a philosopher, it is said, Plato "continues Socrates and yet surpasses him in every sense. In fact, it is hard to know where Socrates ends and Plato carries on, in the so-called Socratic dialogues, of which Crito is one. In these, the thought and teachings are all put in the mouth of Socrates. Such basic questions arise as:

Is there something wrong in asking a favor of a judge and thus procuring an acquittal? Which is the worse, if he grants the favor, you or the judge?

Can one be too honest to be a politician and live?

Why shouldn't one in war or in law use every way of escaping death?

Anyone interested in discussing these questions or in hearing them discussed is urged to attend the meeting. In order to take part in the discussion, the basic reading must have been done before the time of the meeting. But anyone may listen in on the discussion.

TELEPHONE SERVICE IN
THE SMALL COMMUNITY

Your Telephone Company serves a good many small communities—small in number of people but large in the eyes of those who live there, and of us who work there. Telephone service in these communities is sometimes different from the big cities. We believe that the people who live in these communities realize that

*A single operator is more easily overloaded by a succession of hard-to-complete calls.

*A single operator can give you more attention at one time than at another time when the traffic is heavier.

*Trouble can not be cleared as readily when it is necessary to call a repair man from a distant exchange.

*Toll calls are slower at times because of necessary additional switching, and limitation of a small group of toll facilities.

*Revenues in many instances do not warrant extensive installations.

We want you to know we are doing the best we can in the smaller communities to serve you.

When it comes to keeping your Buick up to steering scratch—so a finger-touch can handle it—our men know the answers.

They know the front-end construction of a Buick better than anyone else, so naturally they know what to do and what NOT to do to keep it at its best.

When wear and time have taken their toll of parts like control arm assemblies, steering arms and tie rods, they have our large stock of fresh-from-the-factory Buick parts for replacement.

Buick "savvy" plus factory-engineered parts makes a combination that can't be beat for keeping Buicks at their best.

During the business session it was decided that the Auxiliary would make a \$50 donation for Christmas gifts for the veterans. Rachel Massey invited the ladies of the Auxiliary to her home Nov. 17th to make stuffed toys for the bazaar to be held Nov. 27, instead of Nov. 20, as previously planned.

Time, 1890 Place, New Orleans
Louis Durand, 37, a well-to-do bachelor, has been corresponding with Miss Julia Russell, whom he has never seen. He has proposed marriage and she has accepted. According to her picture, Miss Russell is dark-haired, strong-featured and no longer young. Durand goes down to the dock to meet the boat that is to bring her from St. Louis. He is dumfounded when an excited young blond creature introduces herself as Julia. She explains her little deceit by saying she didn't want him to fall for just a pretty face. Durand is enchanted with her and they are married. Certain things puzzle him, however, during their first days together. Among them is the fact Julia has never opened her trunk. When a letter arrives from her sister chiding her with not writing, he insists she really takes her letter to mail himself. Returning from the bank, where he has arranged to let Julia share his account, he finds a letter addressed to him from Julia's sister. It says she has received a communication signed with Julia's name but in a stranger's handwriting. Durand rushes home to find his wife gone. Her wardrobe closet is empty.

IT was dark now, the town had dropped into night. The town, the world, his mind, were hanging suspended in bottomless night. It was dark outside in the streets and it was dark in here in the room where he stood.
There was no eye to pierce the darkness where he stood; he was alone, unseen, unguessed-at. He was something motionless standing within a black-lined box. And if it breathed, that was a secret between God and itself. That, and the pain he felt in breathing, and a few other things.
Then at last pale light approached, rising from below, ascending the stairs outside. As it rose, it strengthened, until at last its focus came into view: a lighted lamp dancing restlessly from a wire hoop, held by Aunt

house! They've been a stranger sleeping in your bed!"
HATLESS, costless, hair airy, just as the discovery had found him in his room moments before, he was running like someone demented through the quiet, night-lidded streets.
At a crossing he spied a carriage ahead. He ran down the roadway after it full tilt; floundered into it and choked out the address of the banker Simms.
At the banker's house he rang the bell like fury.
A colored servant led him in, showing an offended mien at his impetuosity.
"He's at supper, sir," she said disapprovingly. "If you'll have the patience to seat yourself just a few minutes and wait till he gets through—"
"No matter," he panted. "This can't wait! Ask him to come out here a moment—"
The banker came out into the hall, brow beetling with annoyance, still chewing food and with a napkin still trussed about his collar. When he saw who it was his face cleared.
"Mr. Durand!" he said heartily. "What brings you here at such an hour? Will you come in and join us at table?" Then noting his distracted appearance more closely as he came nearer. "You're all upset—What's the matter, man?"
"My money—" Durand gasped out.
"What is it, Mr. Durand? What of your money?"
"Is it there? Had it been touched?—When you closed at 3, what was my balance on your ledgers?"
"I don't understand you, Mr. Durand. No one can touch your money. It's safeguarded. No one but yourself and your wife—"
He caught an inkling of something that had flitted across Durand's face just then.
"You mean—" he breathed, appalled.
"I have to know—Now, tonight—For the love of heaven, Mr. Simms, do something for me, help me—Don't keep me waiting like this—"

Atomic Energy. Exhibit Will Open Here Nov. 22

"Atomic Energy," a new exhibition prepared by the editors of Life magazine, will be on display in the basement exhibit room of the Pfeiffer Library at MacMurray College from Nov. 22 through Dec. 2. The public is cordially invited to inspect the exhibit.

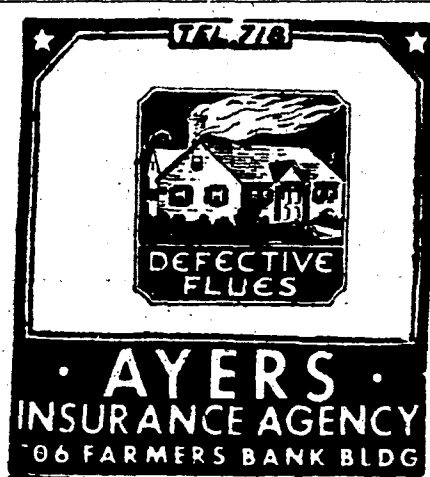

"Atomic Energy" was prepared in consultation with the United States Atomic Energy Commission which has urged nation-wide education on the subject. The thesis is that science is truly international; and that atomic energy is not an exclusive scientific matter but will inevitably involve social and political questions. More concerned with the practical use of atomic energy to date than with nuclear physics, the numerous photographs emphasize the importance of the layman's understanding of the social and political aspects of this great new source of energy.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Nov. 13. —(P)— All livestock were quoted nominally steady today after a week of tumbling prices. The quotable top on hogs was \$22.85.
Hogs dropped \$2.00 to \$3.00 this week in the sharpest decline so far of the autumn marketing season. Prices were carried to the lowest levels since last May. They were also the lowest for any November since 1945.
Big receipts and a slow wholesale pork trade accounted for the losses. Lack of demand for pork may have been a reflection of the coming Thanksgiving Day holiday season, traders said. Both pork loins and regular pork trimmings fell \$4.00.

New York Stock Market

New York, Nov. 13. —(P)— The stock market coasted through a slow session today with only minor variation in prices.
Gains had a slight edge over losses but turnover was too meager to indicate a decisive trend. The general undertone, though, was steady.
Some traders have expressed disappointment because prices have not rebounded sharply after the last post-election pounding on Tuesday. The market has remained relatively stable since then, however, and at the same time shown an ability to absorb considerable selling without too much trouble.
Slating ahead most of the short session were U. S. Steel, General Motors, Chrysler, Woolworth, Inter-

BOARD OF TRADE SELLING REFLECTS STRIKE JITTERS

Chicago, Nov. 13. —(P)— Corn met selling pressure on the Board of Trade today, largely because of nervousness created by a strike of longshoremen at Northern Atlantic coast ports. Other cereals were mostly lower, but wheat showed relative steadiness.

The market opened on losses extending to a little more than a cent in corn, several times during the day attempts were made at rallies, but on each occasion corn fell back before it could get to the previous close.

Railroad embargoes were placed on export shipments to ports from Virginia to Massachusetts. However, these embargoes did not apply to grain if shippers could find room in elevators at the ports to store grain.

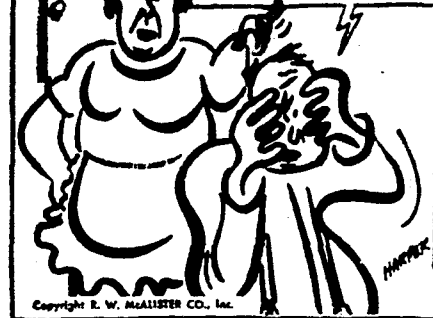

Wheat closed 1/2 lower to 1/4 higher. December \$2.32-1/2, corn was 1/4-1/2 lower. December \$1.41, oats were 1/4-1/2 lower. December 80 1/2, rye was 1/4-1/2 lower. December \$1.77, soybeans were 1/4-1/2 higher. November \$2.59, and lard was 15 to 30 cents a hundred pounds lower. November \$18.80.
Preliminary estimated receipts were wheat 11 corn 439 oats 19, rye none, barley 36 and soybeans 12.

Markets at a Glance

Chicago:
Wheat: Steady; price changes very small.
Corn: Weak; nervousness over Longshoremen's strike.
Oats: Easy with corn.
Soybeans: Steady; late rally cancels early losses.
Hogs: Nominally steady.
Cattle: Nominally steady.

Events of last week all went to show that Jacksonville sports fans like nocturnal events.

Afternoon football just won't draw here anymore. It appears that sports promoters would do well to take a risk on a chilly night, rather than play before a slim crowd on a beautiful football afternoon.

If ever a game should have packed crowd appeal, this season's intracity clash between Jacksonville high school and Illinois School for the Deaf was it. But the "sun stands" at the northside athletic field looked about as empty as the proverbial cupboard.

We hope that two years hence the season finale will return to a night setting.

Attending a football game is getting to be the thing to do in Jacksonville on Friday night.

Despite their untimely looking by the Jacksonville high school Crimsons, the I.S.D. Tigers can well be proud of the record they compiled during 1948. Not for many years has a Jacksonville team won all, or all but one, of the season's contests.

And, Jacksonville high school pulled much the same trick as the University of Illinois, coming up strong in the late stages of the campaign. The Crimsons showed they had learned their football lessons well.

Although Jacksonville loses twelve seniors, the Crimsons can look for better going next season and additional improvement in the two succeeding campaigns. J.H.S. is well fortified with underclassmen.

And, what do you think about the Tigers? They lose only five players off this year's grand club.

Stan Spotts came up with another sparkling exhibition against the Tigers, showing ability in three departments—running, passing and punting. That's a prerequisite for all-state selection.

Bob Kattleman of Pittsfield and Jerry Hewitt of Jerseyville are Illinois Valley conference performers who are being boosted for all-state.

I.C. Routs Elmhurst 47 To 0 In Final Home Game

Ohio State Ruins Illinois Homecoming With 34 To 7 Victory

Champaign, Ill., Nov. 13.—(P)—Rampaging Ohio State, lone obstacle between Michigan and an undefeated season, today plastered its worst defeat on favored Illinois, 34-7, and kept the Buckeyes' faint Rose Bowl hopes alive.

The super-charged Buckeyes, who close their Big Nine campaign against Michigan next Saturday, pulverized the Illini with grinding land power and opportune passing. An Illini homecoming throng of 65,732 saw the Bucks methodically fashion a 13-7 lead through three quarters and then explode for three last period touchdowns.

Illinois Never In The Game
The same Illini team which held Army to a 26-21 victory never had a chance against the shattering plunges of Fullback Joe Whisler and the rabbit-speed of other Buckeye backs.

The win gave Ohio State a 3-2 conference record with only Michigan remaining to play. Northwestern with a 4-1 record, closes against Illinois. An Ohio State upset of Michigan might plump the Bucks into the Rose Bowl.

The Bucks struck for a 13-0 three-quarters lead on Pande's 10-yard payoff pass to Jerry Krall in the first period and Krall's 10-yard end sweep early in the third period. Krueger to Kersulis.

Illinois showed its teeth for the first and only time in the third period when Bernie Krueger hit end Walt Kersulis on a 17-yard touchdown pass, trimming Ohio's lead to 13-7.

But the determined Buckeyes, growing stronger all the way, made

three last period touchdowns. First, Krall pitched a 9-yard touchdown toss to Back Alex Verdugo. Then Bucky Wertz, third string quarterback, flipped a 39-yard pass to Jim Hague on Ohio's five and burly Whisler banged over that point.

The fifth Ohio State touchdown came on an unscheduled play. Sub Fullback Curly Morrison was back to punt, with fourth down 10 on Ohio's 45. Hard rushed, Morrison started to run and, behind a phalanx of blockers, easily scampered 55 yards for a touchdown.

Hague booted four of his five Ohio State conversion tries, while Don Meachtle added his sole point try for Illinois.

Frisco, Cleveland AAC Grid Contest Is One To Watch

New York, Nov. 13.—(P)—The clash of San Francisco and Cleveland, unbeaten powerhouses of the all America conference, overshadowed the rest of the professional football picture for tomorrow.

The 49ers from California, with 10 straight victories, and the Browns, with nine in a row, tangle in Cleveland for the western division leadership. It's their first meeting of the season.

A crowd of 80,000 or more, depending upon the weather, may see the game in Cleveland stadium. This would be the largest pro crowd of the year. The record is 82,675 for the game between New York's Yanks and the Dons at Los Angeles last fall.

Other AAC Games
Meanwhile, the other three AAC games tomorrow will have a definite crown. Buffalo, leading by one game, entertains Los Angeles, while the Chicago Rockets meet the Colts at Baltimore and the Brooklyn Dodgers meet New York at Yankee stadium.

New York and Baltimore are tied for second in the eastern division. The Yankees, 1947 eastern division champions, are picking after early season reversals, but must win to remain in the race. The same goes for the Colts, who led the loop until they were knocked out by Cleveland last Sunday.

Victories by Baltimore and New York, plus a Buffalo defeat, would leave the three teams deadlocked for the lead with five wins and six losses each.

National League
Over in the National league, the major engagement appears to be between the Chicago Cardinals and the Steelers at Pittsburgh. The Cardinals are tied for the western division lead with the Chicago Bears, and Pittsburgh showed a powerful offensive last week in downing the Green Bay Packers, 38 to 7.

The Bears play Green Bay in Chicago in a game renewing one of the oldest rivalries in the circuit. This will be the 61st game, between the clubs, with Chicago having the edge, 33 victories to 22, with five ties.

The Boston Yanks, beset by injuries, just take to the Philadelphia Eagles, eastern division leaders, in Philadelphia. The Eagles have won five in a row.

Right behind, only half a game away, are the Washington Redskins, who entertain the Detroit Lions in the nation's capital. The Redskins have won six of seven games played with the Lions.

LONGHORNS DUMP TEXAS CHRISTIAN
Fort Worth, Tex., Nov. 13.—(P)—Texas' bruising power paid off with two quick touchdowns in the third quarter and the Longhorns plugged their leaky pass defense enough to dump Texas Christian University, 14-7, here today.

The pin-point passing of Lindy Berry sent Texas Christian into the second quarter lead, but big Ray Borneman and Randall Clay tore the middle of the Horned Frog line to bits in the second half.

Wisconsin Raps Hapless Marquette University Eleven

Madison, Wis., Nov. 13.—(P)—The University of Wisconsin punched over four touchdowns against a weak Marquette University squad today to defeat the Hilltoppers, 26-0.

A crowd of 43,000 saw the Badgers take their 20th victory in the 24-game intrastate series, and their second triumph against six defeats this season.

After an exchange of punts in the first quarter, Wisconsin's Wall Dreyer squirmed loose around left end and went 60 yards for the first touchdown.

In the third quarter, quarterback Lisle Blackburn, Jr., scampered around left end for a touchdown from the seven, capping a march highlighted by Dreyer's 43-yard breakaway. Blackburn also added the extra point with a placekick.

A few minutes later, Marquette fumbled a kickoff and Wisconsin recovered on the Hilltop 27. On the third play, Blackburn passed to end Tilden Meyers in the end zone, and again booted the point.

A five-yard smash by Gwynn Christensen in the fourth period added the final tally.

Army Comes From Behind To Edge Pennsylvania 11

Philadelphia, Pa., Nov. 13.—(P)—Only 30 seconds away from defeat at the hands of an amazing University of Pennsylvania eleven, Army struck 15 yards through the air for a touchdown and a 26 to 20 victory that tore the hearts out of the majority of 78,000 spectators today.

Overwhelming favorites seeking their eighth straight triumph, the Cadets were forced to fight from behind three times and needed a dazzling 103-yard runback of a kickoff by Bobby Jack Stuart to subdue the battling Quakers. It was a thriller all the way.

The big clock showed exactly a half-minute to go when Arnold Gallia, Army quarterback, fell back and fired a strike into the arms of John Trent, an end, beyond Penn's goal line to settle the issue. The vast crowd, a moment before yelling almost as one, fell silent, stricken.

Purdue Fumbles Game To Pitt

Lafayette, Ind., Nov. 13.—(P)—Pittsburgh's Panthers shook loose Jimmy Joe Robinson for a 100-yard touchdown run and scored two others with short rushes today in a 20-13 victory over the Purdue Boilermakers.

Purdue had a big margin in the statistics but lost the ball four times on fumbles and twice was held for downs on the Pitt nine-yard stripe.

The 30,000 fans saw an 82-yard touchdown sprint and one for 56 yards in the battle of fleet halfbacks.

STANFORD CRUSHES MONTANA FOOTBALLERS
Palo Alto, Calif., Nov. 13.—(P)—Scoring as they pleased, the Stanford Indians today ran up half a dozen touchdowns and a 39-7 victory over a weak Montana football team that was hopelessly outmanned in the line.

The game was scarcely six minutes under way when the Indians took the ball on their 41 and hammered upward for their first score. A pass, Aubrey Devine to Bob White, was the payoff. Stanford then scored 25 points in the second period and coasted in, making a final tally in the fourth.

MISSOURI U. DUMPS COLORADO, 27 TO 13
Columbia, Mo., Nov. 13.—(P)—Missouri University's Tigers, trailing at the halfway mark, came to life in the last half of their Big Seven conference football game with Colorado's Buffaloes here today for a 27 to 13 victory.

Badly outplayed in the first half, Don Faurout's Missourians power-housed and passed their way with undeniable persistency in the last two quarters. They scored two of their touchdowns by air and the other two by ground.

KNOX DOWNS MONMOUTH
Galesburg, Ill., Nov. 13.—(P)—Knox College defeated Monmouth's Fighting Scots, 15-6, today in the 61st meeting of the traditional Midwest conference rivals. It was the final game of the season for both teams.

Knox recovered a fumble on the Monmouth 45 on the second play of the game to set up the first touchdown which came on a pass from Hoyt Erickson. Later in the period, Knox pinned Monmouth's Armstrong behind his goal line for a safety.

DRAKE GRIDDERS EDGE NEW MEXICO ELEVEN
Des Moines, Nov. 13.—(P)—The Drake Bulldogs capped their football season today with a 13-0 victory over a New Mexico team which had edged them out 8-7 a year ago.

After a scoreless first period, Drake's Dick Camp passed 35 yards to Lynne Lundie to put the Bulldogs on the 12. Three plays later Camp made an 11-yard touchdown pitch which Lundie caught with one hand to score. Dick Steere converted.

SHURTLEFF DOWNS PRINCIPALIA
Aton, Ill., Nov. 13.—(P)—Early Clupper turned in three touchdowns, one each in the last three periods, to lead Shurtleff College to a 34 to 13 victory over Principia College today.

Principia took a seven-point lead in the first period, then Shurtleff began scoring in the second and rapidly outdistanced the visitors.

TARHEELS CLIP MARYLAND
Washington, Nov. 13.—(P)—A band of opportunists, North Carolina's Tarheels climbed back into a prominent post-season bowl position today by setting down Maryland, 49-20, before 34,588 fans in Griffith Stadium.

The Tarheels pounced on fumbles and passes like hungry birds after a worm and turned most of them into scores. Last week's 7-7 tie with William and Mary was the first time North Carolina has been stopped in 14 games.

Substitutes Lead Irish To Victory Over Northwestern

By The Associated Press

South Bend, Ind., Nov. 13.—(P)—Two unheralded substitutes, William Gay and John Landry, brought Notre Dame from behind to defeat Northwestern 12 to 7 today in a bruising battle of football titans.

Their heroic last quarter touchdown march came after Art Murakowski put Northwestern ahead 7-6 on a 90-yard run when he intercepted Francis Tripucka's pass. This was Notre Dame's 20th consecutive victory and it put Coach Frank Leahy's name in the records alongside that of the great Knute Rockne.

Leahy's team has now gone 26 games without defeat, counting the 1946 scoreless tie with Army, equaling the brilliant string Rockne spun with his last teams in 1929 and 1930. Irish Score First

Notre Dame scored first on a 91 yard march in the first period before the capacity crowd of 58,305, with John Panelli carrying it over from the two yard line. Until near the end of the third period it looked like this would be all that either team could do. But then, with Notre Dame on the march, Murakowski jumped high into the air to take Tripucka's pass and dart down the sidelines. Jim Farrar's conversion put Northwestern ahead, and it almost seemed that the year's biggest football upset was in the making.

But the 170-pound Gay and the 180-pound Landry came driving down the field, starting from Notre Dame's 37 yard line. Gay carried it over from the one-foot mark to keep Notre Dame's record untarnished.

Battle Of Lines
Notre Dame had all the edge in statistics, leading in first downs 18 to 10, in rushing 308 yards to 101, but trailing in pass yardage 65-0. The game was a battle of big, powerful lines. Alex Sarkisian, although injured, shone at center for Northwestern, and Fischer played a mighty game for Notre Dame at guard, as did Leon Hart at end.

In individual statistics, Aschenbrenner made 27 yards in 11 attempts, and Murakowski 74 in 19 tries—not counting, of course, his 90 yard touchdown run. For Notre Dame, Gay made 70 yards in 11 carries, Brennan 78 in 12, and Landry 41 in nine.

Okies Blast Nebraska, 41-14

Norman, Okla., Nov. 13.—(P)—After scorches and fumbles kept them scoreless the first 25 minutes, Oklahoma bowled over Nebraska 41-14 here today in a Big Seven conference football game.

The victory before 28,000 spectators was Oklahoma's seventh straight of the season and fourth in the conference. A triumph over Kansas next week would give Oklahoma the championship.

Nebraska made the games first score with 41 minutes gone in the second quarter on a 49-yard pass play. Frank Collopy unlimbered a 37-yard pass to Howard Fletcher, who ran the rest of the way to the goal.

COLUMBIA WHIPS NAVY
New York, Nov. 13.—(P)—Columbia snapped a four-game losing streak today with a 13-0 gridiron triumph over a Navy team that positively refused to cash in on numerous opportunities to put together its first victory of the season.

Led by Gene Rossides, the home club drove 52 and 71 yards for touchdowns midway in the game after turning back two Navy threats in the opening period.

CORNELL NIPS DARTMOUTH
Ithaca, N. Y., Nov. 13.—(P)—Bob Dean led Cornell to a rousing two-touchdown rally in the last quarter today to nip Dartmouth, 27-26, in a spine-tingling Ivy league game that sent 30,000 spectators home talking to themselves.

Dean drove over from pointblank range, less than one foot out, to tie the game with two minutes and 40 seconds to go.

CLEMSON WINS AGAIN
Winston-Salem, N. C., Nov. 13.—(P)—Unbeaten Clemson threw back stubborn Wake Forest today in a 21-14 thriller to register its seventh straight victory.

The Tigers, in winning their fourth straight Southern conference game, forged ahead twice in the early going, only to have the battling Deacons come back to tie the score on each occasion.

SOUTHERN CAL WINS
Los Angeles, Nov. 13.—(P)—Southern California's Trojans hooked up with their old rivals, the Washington Huskies, today and proceeded to bang out a 32 to 7 victory.

Jeff Cravath's Troys got off to a 13-point lead in the first quarter, the first on a 66-yard drive, the second after a gift fumble on the Huskies' own four yard line.

Minnesota Power Proves Too Much For Iowa Gridders

Iowa City, Iowa, Nov. 13.—(P)—Massive Minnesota bruised its way to a 28-21 victory over Iowa today in a sizzling flurry of touchdowns.

The underdog Hawks gave their husky big nine rivals a terrific battle for three quarters but in the end it was Minnesota's power that paid off.

Iowa, unshaken by two costly early fumbles deep in Gopher territory, fought back three times to tie the score. The Iowa enthusiasts in the crowd of 42,000 nursed hopes for an upset similar to the Hawks' 13-7 win in 1947.

It didn't come. Minnesota recovered a fourth quarter Iowa fumble on the Gophers' 18 and they took off on the drive that brought them their fourth conference victory and kept alive faint Rose Bowl dreams.

Minnesota drove and passed to three touchdowns. They came on marches of 62, 47 and 61 yards. Little Billy Bye did the scoring on short spurts each time. Gordon Soltan added the extra points.

Iowa, afire with determination, matched those first three touchdowns. But the tired Hawks could not halt the last Gopher spurge, and they were unable to match the clinching Minnesota in the last quarter.

Powerful Michigan Grid Machine Raps Indiana 54 To 0

Ann Arbor, Mich., Nov. 13.—(P)—Unbeaten Michigan opened up a land and air attack here today that pulverized defeat-groggy Indiana, 54-0, the Hoosiers' worst beating since Michigan rocked them 63-0 in 1925.

A chill-nipped crowd of 84,800 watched Coach Ben Osborn's Wolverines widen a slim 7-0 first period lead into their biggest victory margin in eight straight wins this season. It was Michigan's 22nd successive triumph in three seasons.

George Taliaferro, the Hoosiers' slick triple-threat from Gary, Ind., provided a brief spark in the early action. But the maize and blue forces began to roll at the end of the first period and wound up with a flood of reserve talent pounding out five last half touchdowns.

Michigan's spinning fullback, Tom Peterson, broke the scoring ice after slightly more than five minutes of play, plunging over from the two-yard line. His defensive replacement, Dick Kemphorn, touched off the second period with a similar score. Then Chuck Ortmann, Michigan's passing ace, who completed 15 of 23 passes for the fancy total of 123 yards, flipped a 13-yard touchdown pass to end Harry Allis for a 21-0 lead before half time.

ALABAMA UPSETS GEORGIA TECH, 14-12

Atlanta, Nov. 13.—(P)—The Alabama Crimson tide turned a fumble and a pass interception into a 14-12 upset victory over Georgia Tech today to all but end the once high hopes of the Yellow Jackets for a bowl bid.

The thrice-beaten tide was a two to three touchdown underdog.

Two Alabama substitute centers—Doug Lockridge and Elliott Speed—were spot men when Tech erred. Lockridge recovered a Tech fumble on the Jackets' four and on the next play Alabama's Bill Cadenhead scored. Speed intercepted a Tech pass and ran 62 yards for the tide's second touchdown. Ed Salem kicked both points.

PENN STATE SWAMPS TEMPLE UNIVERSITY

State College, Pa., Nov. 13.—(P)—Penn State's third and fourth string backfields turned on the steam today to swamp an outclassed Temple University football team, 47-0, here before 16,000 at Beaver Field.

Johnny Chuckran and Sophomore Vince O'Bara, who have spent most of the season on the sidelines, led the Nittany Lions through their 17th game without a defeat as Coach Bob Higgins cleared the bench. Both backs scored one touchdown apiece and each tossed a pass good for another score.

Captain and Fullback Joe Colone scored twice.

KANSAS STATE COMES UP SHORT

Manhattan, Kas., Nov. 13.—(P)—Gerald Hackney, a bone crushing fullback and pint-sized Dana Atkins came within six yards of powering Kansas State to the football upset of the year today.

But the Wildcats couldn't quite make it, losing 20 to 14 to Kansas University for their twenty-second straight Big Seven conference defeat.

SMU MASSIVE ARKANSAS

Fayetteville, Ark., Nov. 13.—(P)—Southern Methodist University's Mustangs scored on the last play of the game to defeat the Arkansas Razorbacks 14 to 12 today.

An Arkansas homecoming crowd of 22,000 watched Fullback Paul Page snag a 16-yard pass from Gilbert Johnson and fall into the end zone as the final gun sounded to turn a seemingly certain defeat into victory.

Joe Hill Scores Three Touchdowns In Farewell Grid Appearance

With big Joe Hill leading the way the I.C. Blueboys sang their swan song to Jacksonville football fan this season with a 47 to 0 rout of the Elmhurst College Bluejays here Saturday afternoon.

Elmhurst was completely outclassed from start to finish as they desperately tried to stop driving Blueboy backs at the line of scrimmage and run down speedy Art Wilson as he skirted the ends for long gains. Joe Hill slashed the Elmhurst line to ribbons as he reeled off great chunks of yardage on straight line bucks and counted three of the Jacksonville touchdowns. Every starting back in the Hilltoppers' lineup scored. Long Charley Due grabbed himself a hunk of glory when he intercepted a Bluejay pass on the 50 yard line, and did a ghastly dance down the sidelines, following his interference perfectly, to score.

Elmhurst Tosses Aerials
The Northern Illinois gridders only offensive weapon was passes. Meyer, visiting fullback, chucked many fine aerials in an attempt to chalk up at least one counter in the battle. He was forced to throw from a long punt formation, using little deception, and even then charging Illinois linemen broke through time and again to smear him before he could get rid of the pigskin. Christison, Blueboy end, knocked three passes literally down his throat, making no attempt to tackle the Elmhurst back. The single time the boys from Chicago played threatened on such a pass play from Meyer to Wolfe which gained 23 yards putting Elmhurst on the I.C. two yard line with time in the first half rapidly running out. Meyer flipped two short aerials into the end zone, but was rushed to such an extent by Blueboy ends that he failed to gain any degree of accuracy. The first half ended with Elmhurst on the Hilltoppers' two yard line, the only time throughout the contest they managed to penetrate beyond the Blueboy 20.

Millermen Score At Will
Illinois College scored at will during the encounter, marking tallies in every period, and holding a 'field day' in the second quarter, picking up three quick touchdowns. The only chance Elmhurst had to feel the pigskin was on kickoffs, and then I.C. linemen were tackling so viciously that the Bluejay backs were running on their heels.

Speaking of I.C. linemen, they were great. From end to end the Blueboy forward wall operated with sterling efficiency. Besides Charley Due's touchdowns jaunt, and Christison's pass 'snarling', Lasley and Florence were in on nearly every tackle, and the workhorses' Spink brothers did an A-1 job of opening up holes in the outclassed Elmhurst line, allowing I.C. backs to roll up a total of 23 first downs while Elmhurst efforts in that department stopped at seven.

I.C. Doesn't Kick
The local lads didn't punt once, playing in Elmhurst's back yard for the majority of the fray.

Besides leading in first downs, and heading the TD parade, the Hilltoppers compiled a total of 80 yards in penalties, as compared with 45 yards of reversals for the visitors. Jacksonville was called four times for unnecessary roughness.

The line-ups—
Illinois College:
Ends—Longer, Due, Christison
Tackles—Spink, Sam; Spink, Jim; Rust, Copeland
Guards—Lasley, Florence, Harshman, Brand, Mathews, Hurst, Laschinski

New Music For Reds Praised
Moscow—(P)—Tikhon Khrennikov, writing in "Evening Moscow," said that nine months after the decree on music the composers of Moscow have considerably lived up. Since that time, he said, many compositions have been written in which realism, melody and simplicity. The period of reorganization in the "Union of Composers," said Khrennikov, "may be considered completed. The first steps on the new path have been taken. There can be no doubt that Soviet musicians deeply and sincerely recognize all the importance of the problem placed before them by the party and government as well as by the Soviet people. They are fulfilling their duties."
New York—(P)—Of the 99 players in the National Hockey League this season, 91 were born in Canada. Thirty-four of them were born in the province of Ontario, 20 in Saskatchewan, 19 in Manitoba, 12 in Quebec and six in Alberta.

Editor Of Atlantic Monthly Will Give Lecture Here Friday

The third program in the MacMurray concert-lecture series will be an appearance by Edward Weeks, editor of the Atlantic Monthly, who will speak in the MacMurray Music Hall auditorium Friday, November 19, at 8:15 p. m.

His topic will be "From The Editors' Chair."

Mr. Weeks is no stranger to Jacksonville, this being his second lecture appearance in five years. He is a familiar figure to readers of the Atlantic, with which he has been connected for twenty years, first as associate editor, then editor of the Atlantic Monthly Press, and since 1938, editor of the magazine itself.

Edward Weeks is a successor to such famous editors as James Russell Lowell, William Dean Howells, Thomas Bailey Aldrich, Walter Hines Page, Bliss Perry, and Ellery Sedgwick.

Part of his duties on the Atlantic has been book reviewing and during the time he was actively at the head of the Press he read all the manuscripts submitted to it. He and three assistants now handle over 40,000 manuscripts a year.

Encourages New Writers
Mr. Weeks is constantly on the watch to find and encourage new writers, and many of his "discoveries" have become established in the field of literature. He has always taken time from his many duties to judge the annual Atlantic book competition, for both fiction and non-fiction and to join and sometimes lead the fight against book censorship in Massachusetts.

To his already full schedule, Mr. Weeks has recently added regular lectures on books and authors at the Institute of Arts and Sciences at Columbia University, and periodical broadcasts over ABC on curiosities of literary history which have become one of the high spots of radio's educational programs.

The Gleaner class of Northminster church met at the church Friday evening with 17 members and 15 guests present. Roll call was answered with a verse from Scripture.

The meeting opened with Mrs. Walter DeShara, president, presiding. Mrs. G. C. Albright led the group in prayer. Two vocal selections were presented by Doris Souza and Ardeen DeFries, who were accompanied at the piano by Mrs. C. F. Janssen.

The short business meeting was closed with the Mizpah benediction. A social hour, under the direction of Mrs. Lillian Sardinah and Mrs. Leonard Viera, immediately followed, in which Velma Viera presented two accordion selections, Mrs. L. A. Vasconcellos and Mrs. G. C. Albright spoke on Thanksgiving.

Refreshments were served at the close of the meeting.
